Page 1 of 3

Product Name: **EEE-ULTRA SHINE**

ISSUED by: UBEAUT

Issue Date: February 2009

Infosafe No 4ACRM

**NOT CLASSIFIED AS HAZARDOUS ACCORDING TO CRITERIA OF WORKSAFE AUSTRALIA**

## COMPANY DETAILS

Company Name U-BEAUT ENTERPRISES  
Address 10 Rutland Street, Newtown. Victoria 3462 Australia  
Tel/Fax Local: Phone: 03 5221 8775 Fax: 03 5221 8775  
International: Phone: +61 3 5221 8775 Fax: +61 3 5221 8775

## IDENTIFICATION

Product Name EEE-ULTRA SHINE  
Proper Shipping Name None Allocated  
UN Number None Allocated  
DGClass None Allocated  
Packing Group None Allocated  
Hazchem Code None Allocated  
Poisons Schedule Not Scheduled  
Product Use Abrasive Wax (cut and polish)  
Physical Data  
Appearance Light brown colour solid wax containing abrasive (about the consistency of butter)  
Melting Point 60—80°C  
Boiling Point 160°C  
Vapour Pressure Not available  
Specific Gravity Not available  
Flash Point Not available  
Flamm. Limit LEL Not available  
Flamm. Limit UEL Not available  
Solubility in Water Insoluble

## Other Properties

Stability Stable under normal conditions of use.  
Haz. Will not occur.  
Materials to Avoid Strong oxidising agents.

## Ingredients

Ingredients	Name	CAS	Proportions
	Aliphatic hydrocarbon	8052-41-3	40%
	Other ingredients determined not to be hazardous	Not required	Balance

## HEALTH HAZARD INFORMATION

### Health Effects

**Acute-Swallowed** May cause irritation to the mouth oesophagus and stomach. Symptoms may include headaches nausea, vomiting and abdominal pain.  
**Acute-Eye** May cause mild irritation in contact with the eyes, which may result in redness, stinging and lacrimation. Not anticipated to cause permanent eye injury.

## **Advice to Doctor**

Advice to Doctor Treat symptomatically.

## **Other Health Hazard Information**

## **PRECAUTIONS FOR USE**

Exposure Limits	No exposure standards have been established for this material by Worksafe Australia.
Eng. Controls	Natural ventilation should be sufficient.

## **Personal Protection**

Respirator Type (AS 1716)	No special respiratory protection required.
Eye Protection	Where eye contamination is likely where safety glasses with side shield protection.
Glove Type	The use of Nitrile gloves is recommended.

## **Flammability**

Fire Hazards	When heated above boiling point, may produce flammable vapours.
--------------	---

## **SAFE HANDLING INFORMATION**

### **Storage and Transport**

Storage	Store in a cool, dry, well-ventilated area, out of direct sunlight. Store away from incompatible materials such as materials that support combustion (oxidizing materials).
Precautions	
Transport	No exposure standards have been established for this material by Worksafe Australia.
Handling	Ensure a high level of personal hygiene is maintained when using this product. That is; always wash hands before eating, drinking, smoking or using the toilet.
Proper Shipping	None Allocated Name
EPC Number	
IERG Number	

### **Spills and Disposal**

Spills&Leaks	Collect material and place into a suitable labelled container. Ensure floor is cleaned to avoid slipping.
